Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 02 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming unseasonably cold and windy by Monday, with snow showers.

This Evening and Tonight:
A fine and dry evening with long clear spells. Cloud may increase later in the night, particularly in the south and east of the region. Becoming cold where skies remain clear, with a developing frost. Minimum temperature 0 deg C (32 deg F).

Saturday:
Dry throughout. Any early cloud will tend to dissipate during the morning, the afternoon becoming largely sunny with light winds. A fine and dry evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Patchy frost then sunny on Sunday. Becoming increasingly windy with rain later. Colder Monday and Tuesday, with coastal gales and snow showers, frequent along coastal areas. Accumulations over high ground.
